The New Jersey National Staff takes great pride in the fine condition of this golf course. We ask you to **please assist** in maintaining our standards by observing the following:

- Your position on the golf course is directly behind the group in front of you, not in front of the group behind you.
- **Fill or replace all divots and rake bunkers.**
- **Repair all ball marks.**
- Most importantly, observe normal golf cart etiquette. **Keep carts off slopes, out of wet areas, and on the cart paths around tees and greens.**
- We ask that all carts enter the fairway after the **GREEN POST** and exit before the **RED POST**. Par 3's are cart path only.

**USGA Rules Govern All Play With The Exception Of Posted Local Rules**

- Yardages indicated on sprinkler heads and yardage plates are measured to the center of the green.
- Red stakes define lateral water hazards.
- Yellow stakes define water hazards.
- Yellow stakes with green tops define *Environmentally Sensitive Areas*.
  - **Play is prohibited from these areas.**
  - **Please use designated drop areas.**
- White stakes define out of bounds.

Please respect our neighbors' privacy. Do not cross white out-of-bounds stakes, unless you suspect property damage. **Report any damage to homeowners.**
